Toul's Brews

Toul's Brews was founded by Ilias and George Toulaiatos, AKA the Toul's Bros'. The creation of the concept started when both of them were still abroad studying/working on their respected fields, and its manifestation brought them back home..

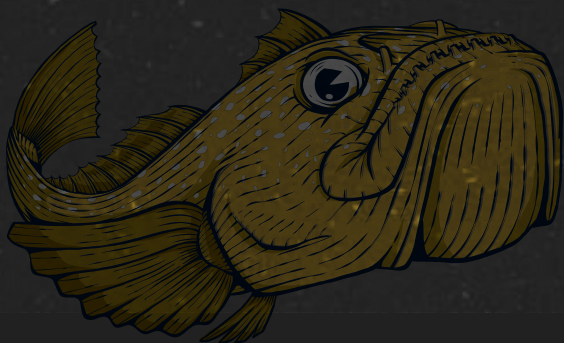

Toul's Brews microbrewery was established in 2018 at the town of Patras, Greece and since then its sole purpose is to produce and serve high quality, fresh, unfiltered & unpasteurized beer.

Meet the Brewers

Ilias is a Food & Beverage Science Specialist with MSc in Brewing & Distillation and George a Mechanical Engineer involved in various fields. Combining their knowledge and experience they create balanced, high quality, tasty brews, convinced that beer is an all year long beverage that can be enjoyed on its own or paired with a variety of food and snacks.

The Shore

Soft, delicate and slightly fruity in taste with mild alcohol.

Hops - noble varieties - exist to stimulate and complement the characteristics of malt rather than to emphasize their own characteristics.

The bitterness due to the variety of hops is low.

An all-day beer that is enjoyed solo but pairs almost with anything.

Alc. : 4.5%, Style: Kölsch

The Return

Blonde and amber color, in which there is an explosion of exotic aromas and flavors of hops with notes of pine and citrus enhanced with the technique of dry hopping.

Everything is in perfect balance with the character of the malt giving body, yet remaining discreet. The pleasant bitterness stays for a while in the taste to be replaced with a mild sweetness in the aftertaste. Pairs very good with meat and spicy food. A beer for all year-round.

Alc. : 5%, Style: PA (Pale Ale), dry hopped

The Stargazer

Stargazer features flower and acid notes along with toffee notes. The intense aromas, typical for an IPA, evoke peach, orange and tropical guava. A beer with depth and high alc. volume that balances perfectly thanks to its authenticity, offering a harmonic sum between malt and hops.

Alc.: 6 %, Style: IPA

The Black Wave

As the name implies, it is a stout. A dark beer with a body and strong aromas of coffee and chocolate that it gets from roasted malts. Mild bitterness hops complete the complexity of malt.

Pairs excellent with BBQ and bitter chocolate.

Alc.: 5.5 %, Style: Stout

Benthos *Limited Edition*

Our new Imperial Stout has just been risen from the depths of the Mediterranean Sea and it comes in a limited bottled edition filled with aromas and mysteries. A treasure that has been patiently aged in wood from rum barrels, imbued with spicy flavors and enriched with the pirate's favoured drink .

Benthos is another exceptional beer made by Toul's Brews, launched to elevate the micro brewery standards and to charm the beer lovers. It comes from the bottom of the sea to offer an utterly limited profile of rum, spicy peppers, cinnamon, cocoa and vanilla. Sink yourself to its unique taste.

Alc.: 12 %, Style: Stout

The Brewery

Here, together with technology we put our own hand to create handcrafted, fresh beers that are different from the usual. Innovation and traditional techniques meet, always offering consistent quality and special taste in each of our labels.

Our factory has a production capacity of 12,000Lt per month and we pack in 330ml bottle & kegs.
